

TEST REPORT

Task Number #24051901

Sample Production Quantity: 3

Sample Production Date

19-May-24

Sample Receipt Quantity: 3

Sample Receipt Date:

20-May-24

Client	Production Department
Sample	tirzepatide 15mg
Manufacturer	Production Department
Batch	2024051901

Tests requested >

Qualitative and quantitative analysis of peptide

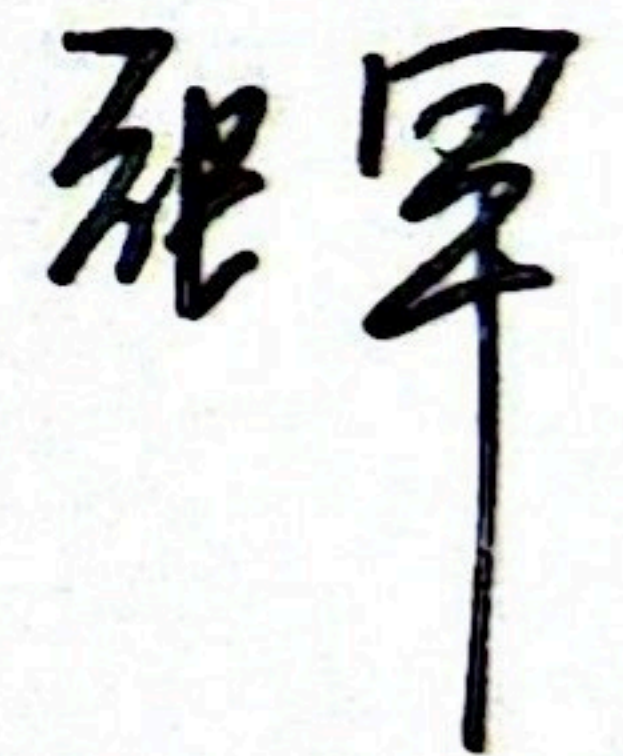

Results >

Identified as	tirzepatide
Concentration	16.27 mg/mL
Purity	99.44%

Analysis conducted an report iussued:

May 20,2024

Inspector's Signature:

TEST REPORT

Task Number #24051902

Sample Production Quantity: 3

Sample Production Date

19-May-24

Sample Receipt Quantity: 3

Sample Receipt Date:

20-May-24

Client	Production Department
Sample	retatrutide 15mg
Manufacturer	Production Department
Batch	2024051902

Tests requested >

Qualitative and quantitative analysis of peptide

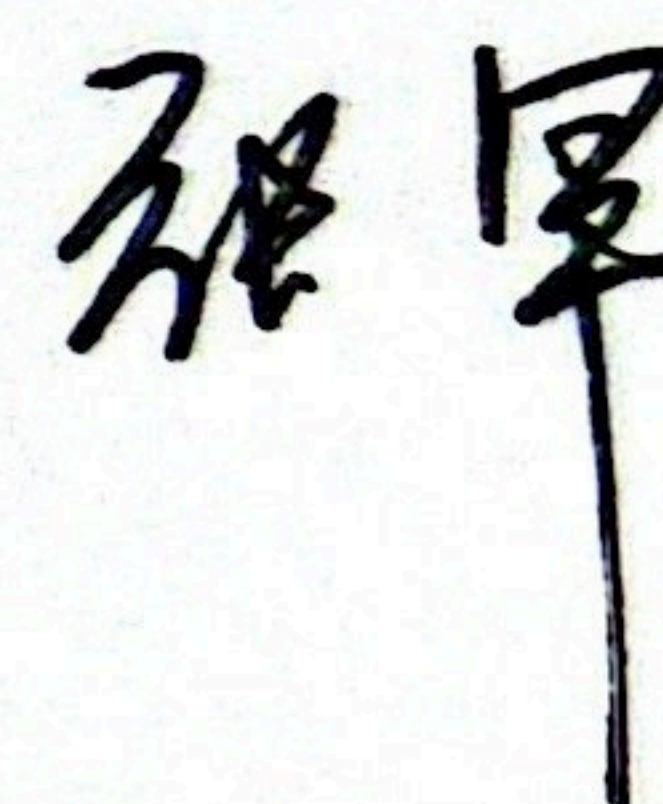

Results >

Identified as	retatrutide
Concentration	15.98 mg/mL
Purity	99.55%

Analysis conducted an report iussued:

May 20,2024

Inspector's Signature:

TEST REPORT

Task Number #240519154

Sample Production Quantity: 3

Sample Production Date

30-Apr-24

Sample Receipt Quantity: 3

Sample Receipt Date:

2-May-24

Client	Production Department
Sample	AOD9604 5mg
Manufacturer	Production Department
Batch	20240519154

Tests requested >

Qualitative and quantitative analysis of peptide

Results >

Identified as	AOD9604
Concentration	5.24 mg/mL
Purity	99.13%

Analysis conducted an report iussued:

May 02,2024

Inspector's Signature:

TEST REPORT

Task Number #24051713

Sample Production Quantity: 3

Sample Production Date

17-May-24

Sample Receipt Quantity: 3

Sample Receipt Date:

19-May-24

Client	Production Department
Sample	cagrilintide 10mg
Manufacturer	Production Department
Batch	2024051713

Tests requested >

Qualitative and quantitative analysis of peptide

Results >

Identified as	cagrilintide
Concentration	10.55 mg/mL
Purity	99.37%

Analysis conducted an report issued:

May 19,2024

Inspector's Signature:

TEST REPORT

Task Number #24051915

Sample Production Quantity: 3

Sample Production Date

19-May-24

Sample Receipt Quantity: 3

Sample Receipt Date:

20-May-24

Client	Production Department
Sample	Kisspeptin 5mg
Manufacturer	Production Department
Batch	2024051915

[Tests requested >](#)

Qualitative and quantitative analysis of peptide

[Results >](#)

Identified as	Kisspeptin
Concentration	5.21 mg/mL
Purity	99.45%

Analysis conducted an report iussued:

May 20,2024

Inspector's Signature:

TEST REPORT

Task Number #24051786

Sample Production Quantity: 3

Sample Production Date

17-May-24

Sample Receipt Quantity: 3

Sample Receipt Date:

19-May-24

Client	Production Department
Sample	KPV 10mg
Manufacturer	Production Department
Batch	2024051786

[Tests requested >](#)

Qualitative and quantitative analysis of peptide

[Results >](#)

Identified as	KPV
Concentration	10.59 mg/mL
Purity	99.39%

Analysis conducted an report iissued:

May 20,2024

Inspector's Signature:

张军

TEST REPORT

Task Number #24051707

Sample Production Quantity: 3

Sample Production Date

17-May-24

Sample Receipt Quantity: 3

Sample Receipt Date:

17-May-24

Client	Production Department
Sample	MOTS-C 10mg
Manufacturer	Production Department
Batch	2024051707

Tests requested >

Qualitative and quantitative analysis of peptide

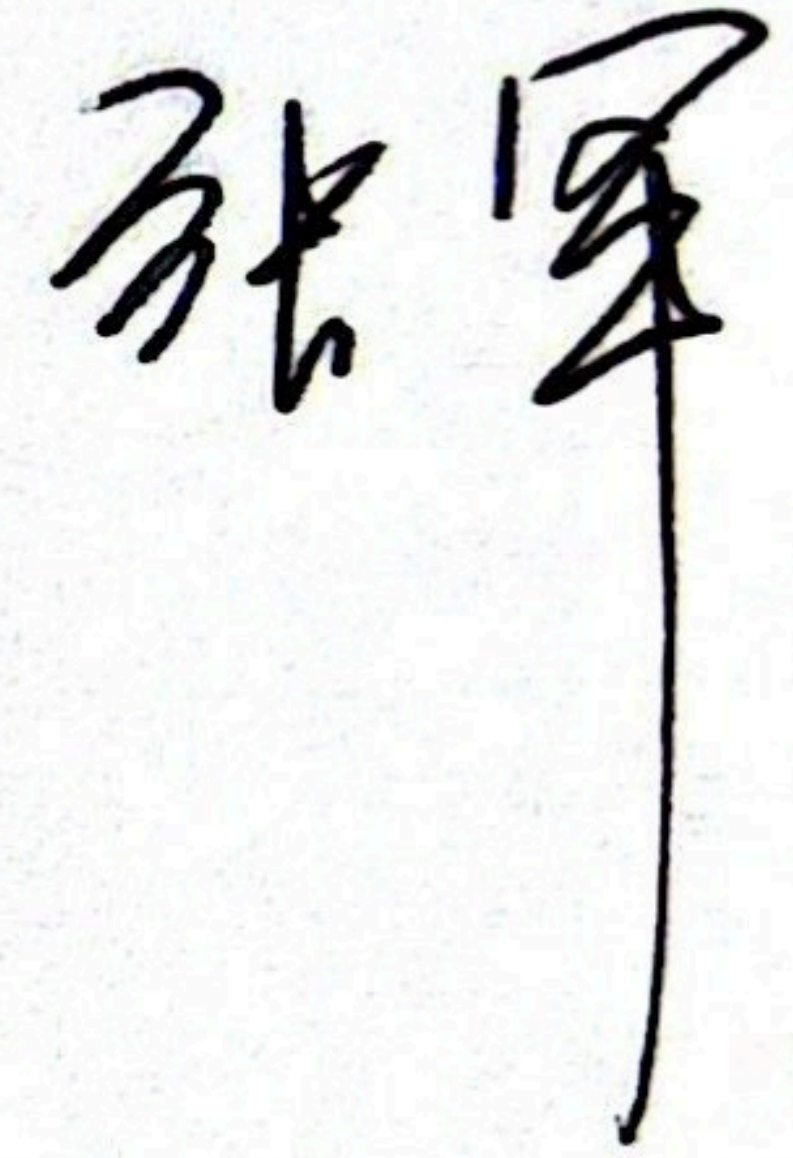

Results >

Identified as	MOTS-C
Concentration	10.55 mg/mL
Purity	99.36%

Analysis conducted an report iussued:

May 17,2024

Inspector's Signature:

Sample Production Quantity: 3

Sample Production Date

19-May-24

Sample Receipt Quantity: 3

Sample Receipt Date:

20-May-24

Client	Production Department
Sample	semaglutide 10mg
Manufacturer	Production Department
Batch	2024051904

Tests requested >

Qualitative and quantitative analysis of peptide

Results >

Identified as	semaglutide
Concentration	10.98 mg/mL
Purity	99.41%

Analysis conducted an report iussued:

May 20,2024

Inspector's Signature:

Sample Production Date

17-May-24

Sample Receipt Quantity: 3

Sample Receipt Date:

18-May-24

Client	Production Department
Sample	survodutide 5mg
Manufacturer	Production Department
Batch	2024051710

Tests requested >

Qualitative and quantitative analysis of peptide

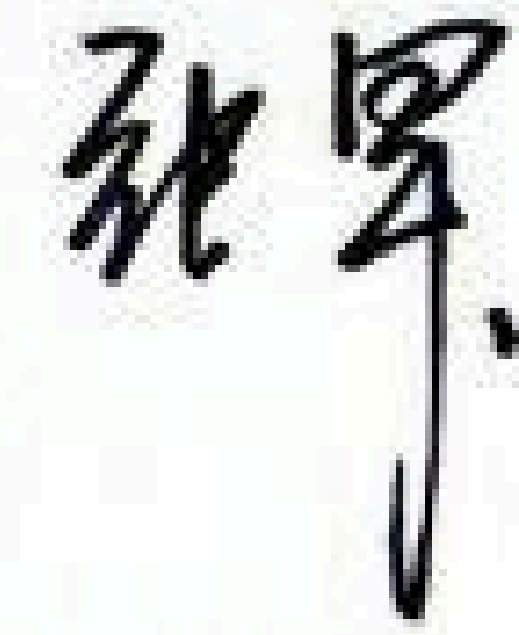

Results >

Identified as	survodutide
Concentration	5.36 mg/mL
Purity	99.44%

Analysis conducted an report issued:

May 18,2024

Inspector's Signature:

Sample Receipt Date:

20-May-24

Client	Production Department
Sample	tirzepatide 30mg
Manufacturer	Production Department
Batch	20240519141

Tests requested >

Qualitative and quantitative analysis of peptide

Results >

Identified as	tirzepatide
Concentration	30.08 mg/mL
Purity	99.63%

Analysis conducted an report iussued:

May 20,2024
